

# *GREAT ART STARTS WITH* **AN ACT OF IMAGINATION.**

**INTERMEDIATE**

## **COLOR CONCEPTS + STYLING**

Discover the artistry of color placement using time saving, straight forward techniques that will allow you to expand your creativity and work more efficiently behind the chair. This class will allow haircolor to become the fashion accessory that will bring every style to life. Stylists will walk away with a fresh outlook on the how's and why's of creative color. Plus, you will see a live demo of a finishing/styling technique featuring Techni.Art, an exclusive styling line.
