

Let's Get Social

Morning: 9am-Noon Everyone

Slay your online brand! Energize your style and overcome common obstacles. Learn how to build your brand and your book at the same time.

Connect with your "why" and develop a compelling message.

Pre-plan and manage your day to maximize your results. Discover photoshoots that produce real authenticity and real results for your career.

Afternoon: 1-4pm Owners and Managers

Google Your Business

Stay on top of online searches and become a market leader salon brand.

Understand the ins and outs of SEO and how to optimize your website.

Discover the benefits of Google Business Profile™ and conquer your fears of not being "techy" enough.

Coaching Social Digital

Learn how to better coach your team on social, even if you aren't using it! Overcome your "imposter syndrome" with a clear and proven step-by-step system for coaching social media and digital branding.
