TRANSFORM YOUR TALENT. EMPOWER YOUR FUTURE.

matrix **Lowkey Color**

LOOK & LEARN

Lowkey Color is a combination of express techniques that create the perfect, multi-tonal look with a radiant, lived-in glow. You will learn how to create a shaded root, blending seamlessly into brighter ends, for subtle yet impactful contrast. Are you ready for a fresh blonding and color method that requires fewer steps, less commitment, and gives maximum impact?

What You'll Learn:

- How to use Super Sync demi color for toning, blending, blurring and gray coverage
- Strategic foil placement for fast lightening
- Shading and blending for low maintenance looks
